

Dear Parents,

We are delighted to announce the introduction of **11th and 12th standard** at New Horizon Gurukul due to popular demand.

New Horizon Gurukul aims to provide all our students with holistic education rooted in our Indian culture and traditions. The ages 15-17 are crucial for a child's development, thus, we have designed a curriculum which most benefits and enhances their growth.

### **Admission commences from January 2020**

We would be offering the following subject combinations in the 11th grade -

- **Combination 1:** English Core, Physics, Chemistry, Math/Biology, Computer Science/ Economics
- **Combination 2:** English Core, Accountancy, Business Studies, Economics, Maths/ Physical Education

\*Affiliation awaited.
