**STRUCTURAL STABILITY CERTIFICATE**

**TO WHOM SO EVER IT MAY COCERN**

I K Venkatesh babu reddy , M/s Group Ventech have been engaged as Structural Design Consultant for the Structural part of the Project named- **NEW HORIZON GURUKUL** School Building at **New Horizon Campus at Bellandur Post**, Outer Ring Road near Marathalli .

The proposed college building comprised of Basements + Ground + Upper Three floors.

The architectural plans were prepared by M/s Ravi Associates (p) Ltd.

The construction work was carried out by Clients themselves

Columns & Footings of the above said Building is designed to withstand

- (i) Live loads & Dead loads as per I.S:456-2000
- (ii) Wind Loads as per I.S:875(Part-3) -1987
- (iii) Seismic Loads – Confirming to Zone-II as per I.S:1893-2002 code provision.

The analysis and design of the above said Building is attempted on **STADD PRO**.

It is to confirm that, Structural analysis and Design of the above said Building are safe enough to carry the said **Live loads, Dead loads, Wind loads & Seismic loads**.

Hence the above said Building is Structurally Safe & Stable for Educational Occupation.

Thanking you,

Yours faithfully,

for,

**GROUP VENTECH**

**K.Venkatesh Babu Reddy**
