

Event Name: Science Fest, Cosmic, 2025

Date: 6th and 7th Aug. 2025

Venue: New Horizon Gurukul Campus

Duration - 2 days

Faculty in charge: Ms. Anjali Chandergi

Objectives

1. To encourage students to think critically and find creative solutions to problems.
2. To help students experience how science, innovation, and discovery contribute to building a better society and a sustainable future.
3. To assist students in collaborating, sharing ideas, and learning from one another.
4. To ignite curiosity and scientific temper in young minds, helping them connect science to everyday life and future opportunities.

Event Details

Cosmic Science Fest was organized on 6th and 7th August 2025 by students of grades 11 and 12. On 9th July, a Google form was rolled out on social media for participation in various events, led by the Fest heads, Nishant Balakrishnan and Chirag Hegde.

Cosmic 2025 witnessed a footfall of more than 500 students (505 students) from over 28 educational institutions across Bangalore, who enthusiastically participated in six different events. These events were: Good Doctor (based on the medical field), Mech Mania (based on technology), CSI - Case Closed (based on forensic science), Talk of Times (based on journalism), Harappan Blueprints (based on architecture), and Mental Meltdown (based on psychology).

The fest kicked off on 6th August with an inaugural function, chaired by the Chief Guest, Ms. Priti Bhaskarwar, a versatile personality and record-holder in the Influencer Book of World Records. The badging of the fest heads was conducted by last year's fest head, Ms. Mahitha Reddy. An introduction to the event heads and co-event heads was presented by Fest Heads Nishant and Chirag. The Chief Guest addressed the enthusiastic gathering with a message to always keep asking questions and experimenting, and inter-weave knowledge from different domains into one's venture.

On the 6th of August evening all participants attended **Timeless**- a program specially designed for students to enjoy, build meaningful connections, and celebrate togetherness. The 7th of August evening marked the closing ceremony of the Fest by announcing the winners for the different events.

Winners were felicitated by Principal Mr Ravishankar Putti with a cash prize and a trophy. A vote of thanks was delivered by the School Captain Sanchita Rao followed by a heartfelt speech by Fest In-charge Teacher, Ms Anjali Chandergi. Cosmic 2025 etched an unforgettable mark in the hearts and minds of the students. It truly succeeded in its vision of nurturing future scientists, innovators, and leaders who will contribute to building a brighter tomorrow.

Flow of Events for Day 1

1. Reporting to School Campus by Participants
2. Opening Ceremony
3. Shift to Event Rooms
4. Round 1 for All Events
5. Lunch Break
6. Round 2
7. Timeless
8. Dispersal

Flow of Events for Day 2

1. Round 3
2. Lunch Break
3. Prize Distribution Ceremony
4. Dispersal

Link of the google form shared for registration- <https://forms.gle/n8YfyAH4bKE2DecQ8>

Winners for the different events are as follows:

Event Name	Name of the Winner	Name of the School	Name of the Runner-Up	Name of the School
CSI:CASE CLOSED	Sarthak Chengalvala Veernath Ruge	NEW HORIZON GURUKUL	Vaishakh MP Madhav Anish	NHPUC
