

Event: Annual Health Checkup Camp for Students	
Date: 3.10.2025 TO 4.11.2025	Time/Duration: 20 Days
Venue: Yoga Room	Classes: Grades 1 to 12
Objectives: • To conduct a regular health checkup covering hygiene, height, weight, and eye examination of students. • To help parents and teachers stay informed about each child's physical development. • To encourage students to maintain good health and follow healthy habits in their daily routine.	
Event: The Annual Health Checkup Camp at New Horizon Gurukul was held from 3rd October 2025 to 4th November 2025. The camp aimed to ensure the overall well-being of students through a simple and well-organised medical screening process. A team of qualified doctors and health professionals conducted the checkups, assessing important parameters such as vision, dental health, height, weight, and general fitness. The entire process was carried out smoothly and in a child-friendly manner. No medicines or injections were administered during the camp. The reports of the health checkup will be shared with parents through the Edumerge portal for their reference.
