Objective: To provide students with an enriching experiential learning opportunity through adventure, nature exploration, cultural visits, and team bonding activities. -----	
Event Details: • The Edufun adventure trip offered students a memorable and educational experience blending fun, learning, and adventure. • The journey was coordinated, with Edufun representatives ensuring student safety. • Students enjoyed a range of activities, river walks, kayaking, paddle boating, mangrove exploration, and backwater boating, which encouraged teamwork and confidence-building. • Visits to Om Beach, Kudle Beach, Mahabaleshwar Temple, and Jog Falls exposed students to nature’s beauty and India’s spiritual heritage. • The resort accommodation was comfortable, with hygienic food and supportive staff providing quick assistance when required.	

- Evenings were lively with music, games, and a joyful birthday celebration for October-born students.
- Teachers appreciated the cooperation of students, who displayed excellent discipline, enthusiasm, and team spirit throughout the trip.
- The journey strengthened student–teacher bonding, encouraged independence, and promoted awareness of sustainable travel and local culture.
